Accessibility Statement

Terra Firma Equity Limited (ACN 675 999 747)

Our Commitment

Terra Firma Equity Limited is committed to ensuring that our website is accessible to all users, including people with disabilities. We believe accessibility is fundamental to inclusion, transparency, and equal access to information.

We aim to provide a website experience that is usable, functional, and accessible across a wide range of devices and technologies.

Accessibility Standards

We strive to align our website with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards, which provide internationally recognised best practices for digital accessibility.

While we aim to meet these standards, accessibility is an ongoing process and we continue to improve our website to enhance usability for all visitors.

Accessibility Features

Our website is designed to:

- Support keyboard navigation
- Maintain logical heading structures and readable layouts
- Provide alternative text for meaningful images where applicable
- Ensure sufficient colour contrast
- Be responsive across desktop and mobile devices
- Work with commonly used assistive technologies

We regularly review our digital content to identify and address accessibility barriers.

Downloadable Materials

Certain downloadable materials (such as presentations, reports, or investor documents) may be provided in PDF or similar formats. We aim to ensure these documents are structured for readability; however, some legacy documents may not fully meet accessibility standards.

If you require an alternative format of any document, please contact us and we will endeavour to assist.

Ongoing Improvement

We are committed to continuous improvement and welcome feedback regarding accessibility issues. If you experience difficulty accessing any part of our website, please let us know so we can address the issue promptly.
